

# Brenner Lab Research Conference 2014

## Friday

12:00 - 1:30	Lunch and scientific discussion (picked up food)
1:30 - 4:30	ACTIVITY (hike Austin Creek)
4:30 - 5:20	Arrival, unpack, get settled
5:20 - 5:55	John-Marc: <i>Consequences of Giving Up on Structural Genomics</i>
6:00 - 6:30	Marcin Joachimiak: <i>Biclustering</i>
6:35 - 7:05	Yangyun: <i>Personalized medicine and "omics"</i>
6:30 - 8:30	(dinner prep for people cooking dinner)
7:30 - 8:30	Dinner and scientific discussion
9:10 onwards	Free time

## Saturday

9:00 - 10:00	Breakfast and scientific discussion
10:00 - 10:30	Aashish: <i>Protein folding studies of homologous proteins</i>
10:35 - 11:05	Mohammad: <i>The IPython Notebook: an Interactive Computing Environment</i>
11:10 - 11:40	Steven: <i>Lab Update</i>
11:40 - 12:40	Lunch and scientific discussion (at house)
12:40 - 4:30	ACTIVITY (hike Pomo Canyon)
4:30 - 5:00	James: <i>Of plants and people, Of moss and me.</i>
5:05 - 6:00	Jamboree
6:00 - 8:00	Dinner and scientific discussion (dinner prep for people cooking dinner)
8:00 - 9:00	Lab gripe hour
9:00 onwards	Free time

## Sunday

9:00 - 10:00	Breakfast and scientific discussion
10:00 - 10:30	Courtney: <i>Ongoing issues with RNA-seq analysis and the Cufflinks tool</i>
10:35 - 11:05	Kunal: <i>The promise of whole-exome sequencing in</i>

*medical genetics*

11:05 - 11:35	Anna: <i>Development of Thermostable Phosphate Sensor</i>
11:35 - 12:35	clean up, pack, and check out
12:35 - 2:30	Lunch and scientific discussion (at restaurant)
2:30	Depart

***\*\*\*There will be no alcohol provided for the conference.\*\*\****
